Date: June 7, 2022  
Time: 2:00 p.m.  
Judge: Hon. Yvonne Gonzalez Rogers  
Location: Courtroom 1- 4th Floor

1 I, Eamon P. Kelly, hereby declare as follows:

2 1. I am a member of the bar of the State of Illinois.<sup>1</sup> I am a Partner at Sperling & Slater,  
3 P.C., and was appointed to the plaintiffs' executive committee in this matter. I submit this  
4 declaration in support of Developer Plaintiffs' Motion for Attorneys' Fees, Expenses, and Service  
5 Awards on behalf of my firm Sperling & Slater, P.C. I make this declaration based on my personal  
6 knowledge and if called as a witness, I could and would competently testify to the matters stated  
7 herein.  
8

9 2. Sperling & Slater has served as counsel for named plaintiff Pure Sweat Basketball,  
10 Inc. and as counsel for the Developer Class throughout the course of this litigation. A description of  
11 the firm's background and experience can be found at [sperling-law.com/practices-areas/antitrust-](http://sperling-law.com/practices-areas/antitrust-competition)  
12 [competition](http://sperling-law.com/practices-areas/antitrust-competition). The biographies and experience of the firm's current attorneys who are primarily  
13 responsible for this litigation, namely, Paul Slater, Joseph Vanek, Robert Cheifetz, Alberto  
14 Rodriguez, Martin Amaro and me, can be accessed at [sperling-law.com/attorneys/](http://sperling-law.com/attorneys/).  
15

16 3. Sperling & Slater has advanced this litigation on a contingent fee basis, and has been  
17 at significant risk that it would not receive any compensation for prosecuting claims against the  
18 defendant.

19 4. Over the course of this litigation, Sperling & Slater, P.C. has been involved in the  
20 following specific activities on behalf of the Developer Plaintiff class:

- 21 • Investigating the claims and the drafting of the original and consolidated
- 22 complaints.
- 23 • Advising on overall case strategy.
- 24 • Preparing Rule 26 initial disclosures.
- 25

---

26 <sup>1</sup> I am also a member of the following federal courts: U.S. District Court for the Central District  
27 of Illinois, U.S. District Court for the Northern District of Illinois.

- Producing documents from class representative Pure Sweat Basketball, Inc.
- Responding to interrogatories directed to class representative Pure Sweat Basketball, Inc.
- Drafting discovery requests directed to defendant and to third parties.
- Taking depositions of Defendant witnesses.
- Drafting an amicus brief for the Court.
- Preparing the motion for class certification and declarations in support thereof.
- Advising regarding settlement discussions and the documentation of same.
- Preparing preliminary approval and final approval papers for the Developer Settlement.

5. Attached hereto as **Exhibit A** is a billing summary of Sperling & Slater's total hours and lodestar at current billing rates, from inception of this case through January 10, 2022. The total number of hours spent by attorneys for Sperling & Slater during this period was 3,123.50 hours with a corresponding lodestar based on current 2021-2022 rates of \$1,714,952.00.

6. Attached hereto as **Exhibit B** is a complete set of my firm's detailed time records at current billing rates organized chronologically. The entries in **Exhibit B** have been redacted for privilege and attorney work product.

7. **Exhibits A** and **B** were prepared from contemporaneous, daily time records regularly prepared and maintained by Sperling & Slater. The current hourly rates provided for my firm's attorneys are the same as our usual and customary hourly rates. My firm handles both contingency cases and hourly work for paying clients and the rates represent (i) standard rates charged to clients in similar matters or, (ii) for counsel that work overwhelmingly on contingency

1 matters, the rates charged for their services on a contingent basis in similar complex class action  
 2 litigation (which rates have been approved by courts in other antitrust class action cases).<sup>2</sup>

3 8. I have carefully reviewed my firm's detailed time records and made the following  
 4 adjustments to my firm's time:  
 5

6 In connection with this motion, each line entry billed by Sperling & Slater, P.C. was  
 7 reviewed. We deleted time that related to non-billable activities such as preparation  
 8 of this motion. We also deleted the time of individuals who did not contribute  
 9 significantly to the case as reflected by the modest hours that those individuals  
 charged. As a result of these reviews and time for which we are not seeking  
 compensation which was incurred, for example, in connection with preparation of  
 the fee motion, a total of 361.60 hours was eliminated.

10 These adjustments are reflected in **Exhibits A** and **B**.

11 9. Attached hereto as **Exhibit C** is a summary of the expenses Sperling & Slater has  
 12 incurred during the course of this litigation. My firm has incurred a total of \$53,254.50 in  
 13 unreimbursed expenses in connection with the prosecution of this litigation. These expenses were  
 14 incurred on behalf of Developer Plaintiffs by Sperling & Slater on a contingent basis and have not  
 15 been reimbursed. The expenses reflected in **Exhibit C** were prepared from expense vouchers,  
 16 receipts, check records, bank records and firm records (for document database hosting,  
 17 photocopying, and similar charges) and represent a complete and accurate recordation of the  
 18 expenses incurred. These source materials can be provided to the Court upon request.  
 19

20 10. In addition, my firm contributed a total of \$355,000 to a common litigation fund to  
 21 cover common litigation expenses such as expert fees, which is separately listed in **Exhibit C**.  
 22  
 23  
 24

---

25 <sup>2</sup> See, e.g., *In re Glumetza Antitrust Litigation*, No. 19-cv-05822, 2022 WL 327707 (N.D. Cal. Feb.  
 26 3, 2022), *In re Intuniv Antitrust Litigation*, No. 18-cv-12653, 2020 WL 8373393 (D. Mass. Dec. 9,  
 2020); and *In re Restasis Antitrust Litigation*, No. 18-md-2819, 2020 WL 6193857 (E.D.N.Y. Oct. 7,  
 27 2020). The rates approved in these cases were the firm's standard hourly rates then in effect.  
 Sperling & Slater, P.C. has historically increased its standard hourly rates each fiscal year.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct to the best of my knowledge.
